

SAFETY SAVINGS SUSTAINABILITY

2018 EQUIPMENT RELIABILITY SEMINAR

Please join PetroChoice, Dakota Fluid Power, and Northwest Tire for a daylong seminar covering the latest in lubricant, filtration, and tire technology. Topics include, but not limited to:

- CK-4 and FA-4
- Zinc vs. Zinc Free Hydraulics
- Oil analysis among other lubricant related topics
- Filtration - and its affect on lubricant & equipment life
- In-depth tire talk

We will help you make sense of all of the latest developments in each of these categories in an effort to drive increased savings, lower safety risks, and improve sustainability within your business.

THIS GREAT EDUCATIONAL EVENT QUALIFIES FOR 6 HRS. OF MLEP CREDIT
